

## Triumph Group Corporate Communications

We design and deliver clear and compelling communications regarding our strategic path forward. We engage employees and help drive greater connections within our organization, through our work and aligned with our culture.

**WHAT WE DO** - We inform, engage and inspire audiences by providing compelling stories that advance the brand and reputation and support business goals.

**HOW WE DO IT** - We partner with subject matter experts in the business to help them clearly deliver their message via the most effective channels.

**WHAT WE DO** - We provide strategic guidance; communications plans; creative storytelling (written, visual, interactive); access to communications tools.
